The screenshot shows a customer support interface. At the top right, there is a language selector set to 'English' and a 'Contact Us' button. A user profile dropdown menu is open, showing the user's name 'Test' and several menu items: 'My Profile', 'My Tickets (90)', and 'My Chats'. A 'Logout' button is also visible. Below the search bar, there is a notification banner that reads '90 You have 90 tickets to respond to.' The search bar contains the text 'How can we help you today?' and is accompanied by a magnifying glass icon. The background features a blue header with a paper airplane and a customer service agent wearing a headset.
